Azul Dining Table

Crafted entirely from one block, the Azul Dining Table features a 5 cm thick top supported by a sculptural leg, perfectly balanced for visual impact - a work of art in its own right.

Pictured in our Vidaracco Ataija Azul limestone, a Portuguese stone which is durable and perfectly suited for outdoor use — see our [Stone Overview](#) page for more information.

Dimensions can be adjusted at no extra cost—width/length +/-10 cm, height +/-5 cm. Add your preferred measurements (cm or inches) in the checkout notes.

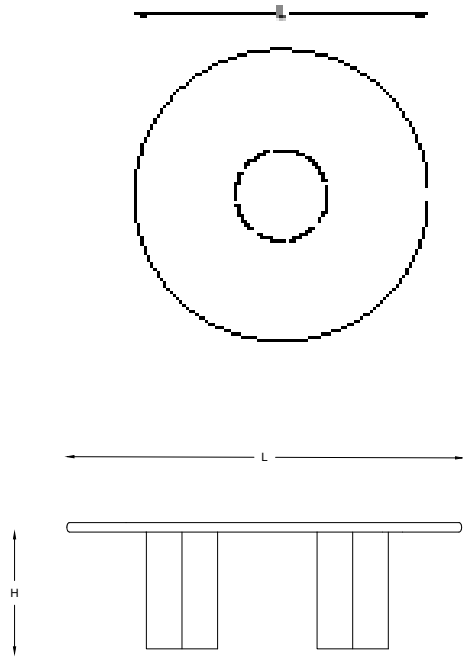

Each piece is made to order and can be customised in size, material, or detail. If you don't see what you need, use the [Custom Inquiry Form](#) below for a tailored quote.
