Angelo Rectangle Dining Table

The Angelo Rectangle Dining Table features a 3 cm thick top with a soft bullnose edge, supported by two cone shape pedestal legs.

Pictured in filled travertine and Rosso marble. Our filled travertine has a smoother, more uniform finish, while honed travertine offers organic textural variations and a more natural look — see our Stone Overview page for more information.

Dimensions can be adjusted at no extra cost—width/length \approx 10 cm, height \approx 5 cm. Add your preferred measurements (cm or inches) in the checkout notes.

Each piece is made to order and can be customised in size, material, or detail. If you don't see what you need, use the Custom Inquiry Form below for a tailored quote.
