

Eclipse Desk

MY HABITAT

Eclipse Desk

The organic shape of this minimalist desk is anchored by its stacked sphere-shaped legs that double as functional art. On the opposite end, a cylindrical column incorporates open shelving, ideal for discreet storage or display.

Pictured in travertine, a natural stone celebrated for its warm neutral tones, subtle veining, and timeless appeal — see our [Stone Overview](#) page for more information.

Dimensions can be adjusted at no extra cost—width/length \approx 10 cm, height \approx 5 cm. Add your preferred measurements (cm or inches) in the checkout notes.

Each piece is made to order and can be customised in size, material, or detail. If you don't see what you need, use the [Custom Inquiry Form](#) below for a tailored quote.
