MY HABITAT

## Mario Rectangle Dining Table

The Mario Rectangle Dining Table is carved entirely from stone, featuring a 3 cm thick rectangular top supported by four gently tapered cylindrical legs.

Pictured in polished red travertine. Colour shifts with finish - polished surfaces appear deeper in tone, honed finishes softer and pinker. See our Stone Overview page for more information.

Dimensions can be adjusted at no extra cost—width/length  $\approx 10$  cm, height  $\approx 5$  cm. Add your preferred measurements (cm or inches) in the checkout notes.

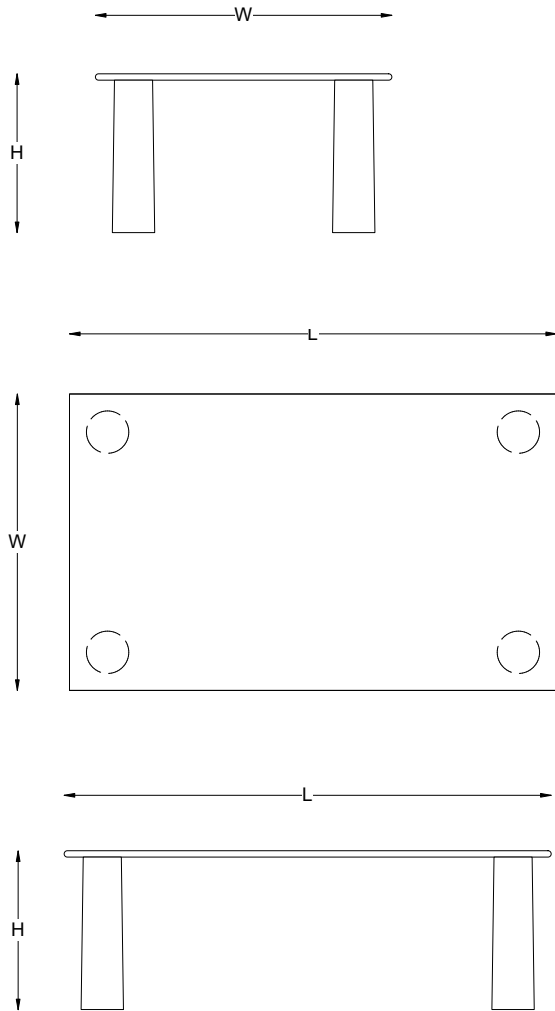

Each piece is made to order and can be customised in size, material, or detail. If you don't see what you need, use the Custom Inquiry Form below for a tailored quote.
