

Ruby Dining Table

MY HABITAT

## Ruby Dining Table

The Ruby Dining Table is carved entirely from solid stone, featuring a 6 cm thick top with a soft bullnose edge, supported by a sculptural column leg.

Pictured in honed travertine, a natural stone with warm tones and organic textural variations (workshop photo shows surface when wet) — see our Stone Overview page for more information.

Dimensions can be adjusted at no extra cost—width/length  $\approx$  10 cm, height  $\approx$  5 cm. Add your preferred measurements (cm or inches) in the checkout notes.

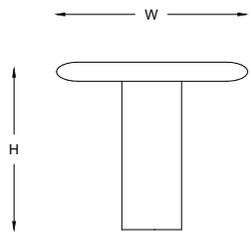

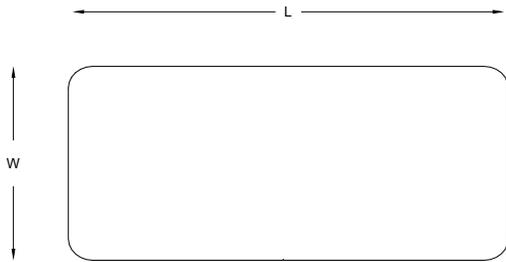

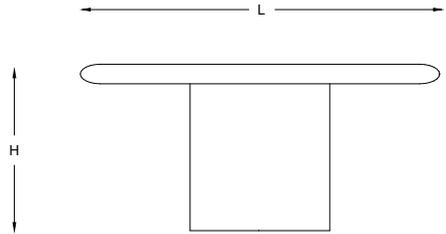

Each piece is made to order and can be customised in size, material, or detail. If you don't see what you need, use the Custom Inquiry Form below for a tailored quote.
