

Soma Oval Dining Table

MY HABITAT

## Soma Oval Dining Table

This minimalist table is crafted entirely from a single material, showcasing a beautifully curved-edge top in natural travertine. It rests on distinctive bullet-shaped legs, strategically positioned to comfortably seat 8 to 10 people. The honed matte finish not only adds durability but also enhances the stone's rich, natural colour and striking veining.

Pictured in our honed travertine. Our honed travertine offers organic textural variations and a more natural look while filled travertine has a smoother, more uniform finish — see our Stone Overview page for more information.

Dimensions can be adjusted at no extra cost—width/length +/-10 cm, height +/-5 cm. Add your preferred measurements (cm or inches) in the checkout notes.

Each piece is made to order and can be customised in size, material, or detail. If you don't see what you need, use the Custom Inquiry Form below for a tailored quote
